June 8, 1954

Invitational Sale

Although we are offering only six bulls in this 1954 sale, each one has been selected because he had the breeding and merits for a real stock bull. Four of them are imported, three from Cruggleton and one from Saltoun. Two are the best sons of Cruggleton Purvis.

The entire female offering has been chosen for this sale with the one thought in mind that they must be the kind worthy of improving your herd or establishing the right foundation for a new one. Eight cows sell with calves. Several bred heifers by famous sires are in calf to some of the greatest stock bulls in America. A number of very beautiful open heifers will suit the breeders who want females to mate with their own sires. We invite you to be with us.

*Never have we been so
proud of an offering!*

Sires and service sires in the Kickapoo offering

Left—Calrossie Highland Chieftain was the top-selling Calrossie bull at Perth last year and is now senior sire at Kickapoo Farms. Three heifers in the Kickapoo offering are bred to him and one sells with breeding privilege to him. He is by Calrossie Highland Pride, a double grandson of Kirkton Baronet, and his dam is by the Perth supreme champion, Glas-tullich Fortress.

Right—Cruggleton Johnston, sire in the Kickapoo consignment, is a son of the renowned Ascreavie Duthie. He sired the champion and reserve champion females of the 1951 Blue Grass Futurity, the grand champion female of the 1951 Michigan State Fair, and his get have maintained a four-figure average in the auctions in the last three years. His get are a unit of this sale in the Kickapoo offering.

Left—Corrimony Fort Augustus was imported from the 1949 Perth show and sale. He sired the first prize junior get of sire of the 1951 Wisconsin State Fair and the American Royal at Kansas City, and the reserve champion Congress female at the 1951 International. He was a son of the great Magheramorne Commodore. His get are a feature of the entries from the Stanley G. Harris and the Spring Willows consignment.

Right—Camson Cock Robin 11th is sire of the calf selling with Lot 26. He is in service at Kickapoo Farms and is one of the top sons of Grant Campbell's famous Calrossie Cock Robin, he a son of the renowned Kirkton Baronet.

Sires and service sires in the Susanna offering

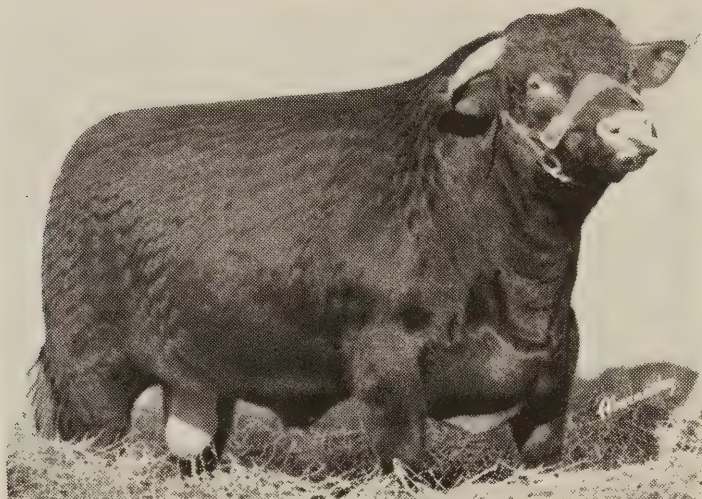

Left—Glastullich Spearhead has produced many wonderful cattle in the Susanna herd. The three females in the Susanna consignment are by him. He was a Perth prize-winner himself, and a son of the 1947 Perth champion, Glastullich Fortress.

Right—These first two calves by Leveldale Custodian are everything they should be at five months of age, strong-boned, rugged, short-legged. They are Susanna's Custodian, left, and Susanna's Golden Drop, right. The service of their sire is a feature of this sale.

Left—Leveldale Custodian, the sensation of 1952, selling at the top of the Leveldale Farms' sale and becoming the top-priced American-bred bull in modern history at \$19,000. He is service sire of the three heifers in the S. J. O'Bryan consignment. His sire, Aldie Apex by Chapelton Baronet, was great in the showing and is proving a great sire; his dam, Leveldale Crocus, was one of the greatest prize-winning females the breed has ever known.

Sires and service sires in Comrie Farm offering

Left—Comrie Formula is a sire in the Comrie Farms herd and produced Lot 39 in this sale and is service sire of Lot 15. He is a son of the well-known Calrossie Formula, herd sire in the Klaymor Farms herd in Canada.

Right—Killearn Max Senator was the \$10,000 top of the 1950 Killearn Farms sale, bought by Robert Macfarlane, owner of Comrie Farms, and George & Eldon McLachlan, Evart, Mich. His first few calves have very nearly returned his purchase price. Invariably his get are top-winners and top-sellers wherever shown or offered. He is sire of Lots 14, 15 and 38 in the Comrie Farms' consignment.

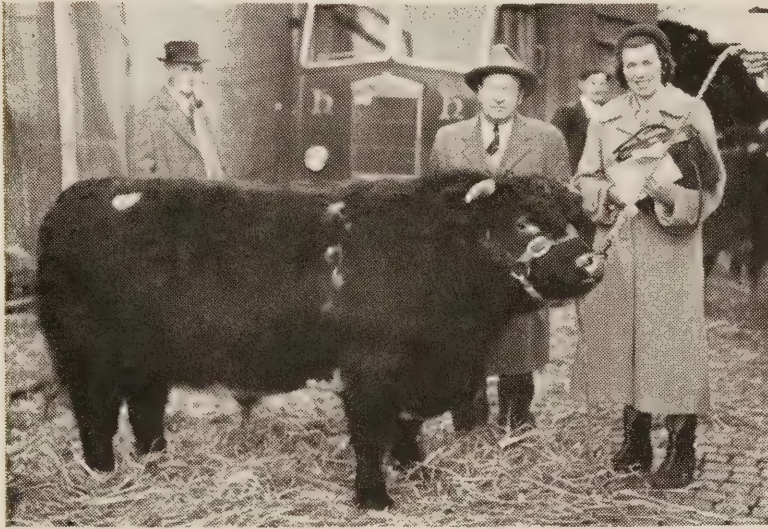

Service sire in the Spring Willows offering

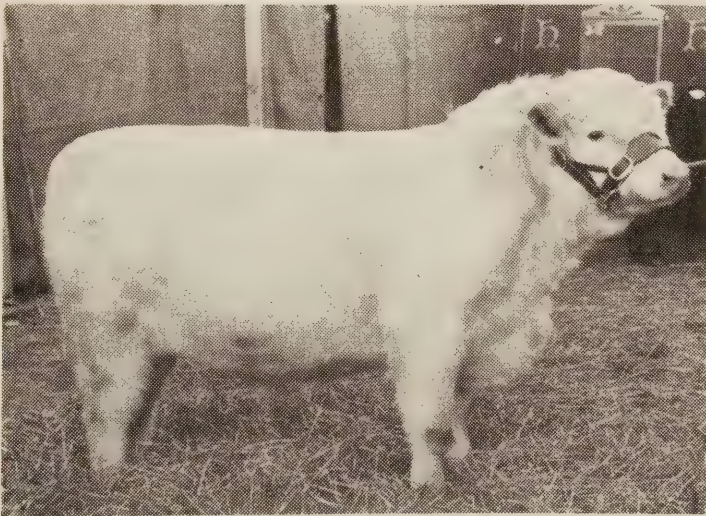

Ballathie Heir is a two-year-old junior herd bull at Spring Willows. He is service sire of Lots 11 and 18. His sire is Kirkton Heir by Kirkton Baronet, and his dam is by Larbert Control by Pittodrie Banker. He was bought at side of Ballathie Dorothea, his dam, in the 1952 Campbell Farms' sale, Moffatt, Ontario.

The latest from Perth, Scotland

Phopachy King Charles, a richly bred Kirkton Baronet bull, was bought at \$7,200 in the 1954 Perth sale for Marellbar Farms to insure the future and progress of this strongly Cruggleton-bred herd. His sire, Phopachy Great Event is closely related to Capt. DeQuincey's Kirkton Challenger, perhaps the best son of Kirkton Baronet. King Charles' dam is Augusta Linda by Kirkton Baronet. Shown with him is John Blume of Marellbar and Miss Jean MacGillivray, Phopachy, Inverness-shire, Scotland, consignor and breeder of many famous bulls. King Charles is typical of the bulls from Kirkton and Phopachy that have made history all over the world for Shorthorns.

Crieffvechter Laban was bought in the 1954 Perth, Scotland, sale for the Kickapoo herd by herd manager Raymon Duer. Lot 36 in the Kickapoo consignment sells with breeding privilege to him, a mating which will produce a line-bred Calrossie Welcome calf. Laban's sire is Calrossie White Emblem by Calrossie Welcome and from a dam by Kirkton Baronet. His dam is by Millhills Yesteryear and from a granddaughter of Cruggleton Perfect.

These six heifers all by Glastullich Spearhead in the Susanna herd, show the grand uniformity of type and quality of this great bull. Left to right—Susanna's Nonpareil 4th (selling), Susanna's Gloster 4th, Susanna's Orange Shade 4th, Susanna's Victoria 6th, Susanna's Maid 5th (selling) and Susanna's Clipper 4th (selling).

A Word to Our Buyers and Friends

In making up our offering of sale cattle for June 8, I am reminded of the fact that I've spent the best part of my life, the last 17 years, at Marellbar in breeding, showing and selling Shorthorn cattle. Each year our objective is to bring out a better lot of sale cattle and to improve our breeding herd.

Our list of satisfied customers has made an impressive and tremendous growth. Their praise for Marellbar cattle and their confidence in our integrity and business methods are indeed our most valuable assets. Marellbar Farms have made it possible for me to as-

semble what a great many of our fellow-cattlemen tell us is one of the great Shorthorn breeding establishments in America.

We feel certain that we have made possible a source of supply of seed stock that has been and will continue to be an important contribution to the improvement and welfare of Shorthorn cattle everywhere.

Our cow herd is representative of the best bloodlines, the best producing families, from the best herds in America and the most famous herds in Scotland. They excell in uniformity, in type, colors and quality. In the dispersion of the late A. J. Marshall herd in October 1952, we purchased ten of the best females from the best producing families in that historic herd, including Cruggleton Leishman's dam and his two sisters. This important addition, with previous purchases of Marshall females and the continued use of Marshall-bred sires, has placed Marellbar in a position to be the chief source of supply for the world famous Cruggleton-bred Shorthorns.

Our herd sires have been selected with all the skill, judgment and experience at my command, with always the thought in mind that each sire had to work an improvement in our herd. Klaymor Footprint, Marellbar Mandate, Beaufort Bonspiel, Cruggleton Allardice, Cruggleton Jordan, have all played an important part, and now Phopachy King Charles has been chosen to carry on.

Our sale offering will include a number of Marshall-bred bulls and females, a number of young imported cows with calves, a number of the best of our own breeding, several in calf to Cruggleton Leishman. Our neighbors, Kickapoo Farms, Mr. and Mrs. Charles Butland, Robert Macfarlane and S. J. O'Bryan, have selected their best for this sale. You will find their consignments much better than in previous sales, and as in the past they will supply some of our top-selling cattle.

Certainly I am most fortunate to be associated with Marellbar Farms, also to have such wonderful partners and neighbor consignors to help us in making each of our sales highly successful.

Cruggleton Pacha has been used with much success at Calrossie. A daughter of his dam, Jealous Anita, namely, Jealous Annette, was supreme champion at the Perthshire show last summer. Marellbar Protector—One of the best young bulls we have bred at Marellbar. He has few faults and is good enough for any breeding herd. He has had some service at Marellbar and is ready to use. He could make a great show as a senior yearling this year. He has been good since the day he was born and has always been very much admired by everyone. He stood second in a strong class of summer yearling bulls at Denver this year. His sister sold in our 1952 June sale at \$5000 to Hawthorne Farms, Marshall, Virginia. Marellbar Calculator—Sired by Cruggleton Purvis who proved himself an outstanding sire before he was sold in our 1953 June sale at \$22,500 to M. S. Oftedal, Libertyville, Illinois, thus becoming one of the top-selling Shorthorn bulls in America for many years. Marellbar Clipper Maid 2nd is out of the same dam as Marellbar Formation, sire of the Inter'l reserve champion steer over all breeds, Formation. She is one of the best daughters of Cruggleton Allardice in our herd. A full sister to Marellbar Calculator sold in our 1953 June sale to Sutherland Farms, Prospect, Ky., at \$2550. His granddam, Beaufort Clipper Maid 17th, by Bapton Battleship, is one of the most valuable cows in our herd. Marellbar Princess 18th—A daughter of Cruggleton Purvis and from Marellbar Princess 15th, a prize-winner at a number of the important shows. Her granddam, Marellbar Princess 5th, was grand champion at the 1947 International. We have kept a number of daughters of Cruggleton Purvis and I don't think we have kept a better one. Marellbar Princess 16th is a full sister to the dam of Princess 18th, selling as Lot 33. Three daughters of Cruggleton Purvis sold in our 1953 June sale for an average of \$2400. The top-selling daughter brought \$3000.

Marellbar Butterfly 9th—A heifer from Iceni Butterfly 5th, from one of our most dependable families. This cow and her daughters have never produced anything but real top calves. Iceni Butterfly 5th was purchased in the Sni-A-Bar dispersion at \$3000 and has made money every year we have owned her. She is also the dam of the 1953 Illinois state sale champion bull, Marellbar Correction, bought by Dr. C. E. Harlan, Ava, Mo., and of Marellbar Uprising, a bull that bred very well for Hubert Blasingame, Duke, Oklahoma. Marellbar Butterfly 6th, also from Iceni Butterfly 5th, has produced two daughters that sold for \$2500 and \$3000.

Kickapoo Princess Royal 10th—By the \$15,000 Westdrums Lancaster Chief, a son of the 1949 Perth Champion, Cruggleton Account. The Princess Royals are without question the most prolific family at Burton. Alex Anderson will not challenge this statement as the dam of his Burton Bankbook, 1954 Perth champion, is a Princess Royal. Burton Bankbook's granddam and the granddam of Kickapoo Princess Royal 10th are full sisters. We purchased Burton Princess Royal 8th from Reford Gardhouse, Milton, Ontario, in his 1952 sale at \$2,800, her dam also selling at \$2,800 to Acadia Farms, Northfield, Ohio, the top price for females that day. As the sire of Burton Bankbook is a son of Calrossie Welcome, and Crieffvechter Laban, the white calf we purchased at Perth, is also a grandson of Welcome, we will offer a breeding privilege to him with the sale of this heifer. This could be the payoff. Pretested clean and vaccinated.

Young Robert Biglands, son of Josh Biglands, herd manager at Marellbar, invariably knows how to pick the good ones. He is shown here with Marellbar Rosewood, the first heifer calf by Cruggleton Leishman, whose service is a feature of this sale.

Some of the grand heifers in the Marellbar breeding herd. All daughters of Cruggleton Allardice. Two of his daughters sell in this sale.

Standard Guarantee

OF

AMERICAN SHORTHORN BREEDERS ASSOCIATION

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.

2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.

3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.

4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.

5. All animals are sold to comply with the laws regulating Tuberculosis and Bangs disease of the state.

6. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.

7. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off. Where cattle are sold at private treaty the above terms should apply as well as for sale at auction.

All animals sold in this Sale will be backed by the above Standard Guarantee.

As a safeguard to prospective buyers, every animal has successfully passed a clean abortion blood test within 30 days prior to the sale, or will have Certificates of Bangs Calfhood Vaccination, and those that are not from Accredited herds have passed a clean Tuberculin test within the same period. Health certificates will be provided with each lot sold.
